

Is A1 Solar Store a good choice?

I would highly recommend A1 Solar Store if you are looking to purchase Solar Panels. The customer service was very beneficial, and the pickup locations were extremely convenient. I did not have much knowledge on Solar Panels and/or the benefits of them, but A1 helped me choose Suntech 370 W Solar Panel.

Is A1 Solar Power still in business?

***2019 update: A1 Solar Power is no longer in business. A1 Solar Power was founded in 1986 and since then, developed and installed over 3,000 residential solar systems in California. With corporate offices in Van Nuys, California, A1 Solar Power was dedicated to sustaining cleaner energy to homeowners through solar.

Do A1 solar panels work?

The sales representative and the installer for A1 Solar were both professional and curious. However, I purchased 7 solar panels and upon installation (last fall) only 6 panels worked. On numerous occasions, I texted the salesman regarding this and even took a picture of the readout that showed 6/7 working.

What is the customer service like at A1A Solar?

A1A Solar gives excellent customer service. Always keeps me updated. The job gets completed. Thank you. Jenny was very helpful and very patient with a person that is not technically sound. Robin, at A1A Solar gives excellent customer service.
