

How does solar fencing work?

Solar fencing is a system consisting of solar photo voltaic module, battery, energizer and alarm unit. Solar Photovoltaic Modules convert Sun Light Energy into electricity and then store it in a Battery. The electricity from the 12 V Battery is fed to an electric fence energizer, which converts 12V DC energy into a high voltage pulse.

What types of fence systems does A-1 provide?

1. Weld mesh panel systems: A-1 Fence supplies weld mesh panels systems in various configurations depending upon the application area. 2. Chain link fence systems, 3. Concertina razor wire/Barbed tape, 4. Barbed wire, 5. Fabricated security gates - sliding and swing.

Can solar fence be used with other solar powered security devices?

Solar fence can be integrated with other solar powered security devices like CCTV, Access Control, Movement Detector, Intruder alarms, Security lighting system, fire and smoke detection system etc. SOLAR FENCING CAN BE USED FOR A WIDE RANGE OF APPLICATIONS SUCH AS :

Can solar powered electric fencing be used in remote areas?

Solar powered electric fencing can be used in remote areas. No operating costs. Solar powered fence system will continue to work up to 15 days without any significant sunshine once they've been fully charged. The shock does not physically damage animals or human beings. The shock does not physically damage animals or human beings.

Why should you invest in a solar fencing system?

CROWN SOLAR alone has saved a revenue of about 1 million dollar by executing prestigious projects in Defence and other Government sectors with its brand. Solar fencing is the most sought system for protecting premises whether it is Agriculture, Security or High security applications.

What is security fence?

The Security Fence is scientific fence and works on Energy with backup facility to run uninterruptedly during the nights as well as cloudy days. The whole system can be divided into two segments, one is the Basic system with CS 250 Unit (Without keypad) and the other one is the Fence.
