A1 Solar Power is a company based in Van Nuys, California, dedicated to providing cleaner energy to homeowners through solar power. They focus on premier service, current technologies, reliable manufacturers, and delivering the utmost value to their customers.

Is A1 Solar Store a good choice?

I would highly recommend A1 Solar Store if you are looking to purchase Solar Panels. The customer service was very beneficial, and the pickup locations were extremely convenient. I did not have much knowledge on Solar Panels and/or the benefits of them, but A1 helped me choose Suntech 370 W Solar Panel.

Do A1 solar panels work?

The sales representative and the installer for A1 Solar were both professional and curious. However, I purchased 7 solar panels and upon installation (last fall) only 6 panels worked. On numerous occasions, I texted the salesman regarding this and even took a picture of the readout that showed 6/7 working.
