

How can I access my ADP product logins?

To access your ADP product logins, you can find them by common tasks or view a complete alphabetical list. If your employer has provided you with online access, you can access your pay statements and W-2s at [link]. If you have not previously logged in to the portal, you will need a registration code from your employer.

How do I log in to RUN powered by ADP?

To log in to RUN Powered by ADP, use the same user ID and password you use to log into the RUN Powered by ADP web application. You can also use the RUN Powered by ADP Mobile Payroll app (iOS, Android) with the same credentials. When your account is first created, you will receive an email containing a temporary password.

How do I get a new password for run powered by ADP?

To reset your password for RUN powered by ADP, contact your company's administrator for assistance. Alternatively, you can follow these steps: Enter your User ID and click Next. On the Enter Password page, click 'Forgot Password?' and then follow the instructions to receive a new temporary password. Once you log in with the temporary password, you will need to create a new permanent password.

Who can help if I need assistance with RUN powered by ADP?

Please contact your company's RUN Powered by ADP administrator for assistance. Follow the instructions to complete the registration process. On the Login page, click CREATE ACCOUNT. On the next page, enter your temporary user ID and password and click Next.

What is the mobile app for RUN Powered by ADP?

Get the RUN Powered by ADP Mobile Payroll app (iOS, Android) and then log in using the same user ID and password you use to log into the RUN Powered by ADP web application. The ideal payroll and tax solution for any small business.

What should I use to log into MyADP?

You must use your MyADP user ID and password (not the ID and password you use to log into your company's network) to log into MyADP.
