

Does AGL offer solar feed-in tariffs?

AGL is one of Australia's three largest energy retailers. AGL provides a number of electricity plans for solar owners with a range of solar feed-in tariffs (FIT). Listed here are AGL solar feed-in tariffs for households in NSW, QLD, SA and VIC. Select your State below to view solar feed-in tariffs for AGL's plans.

Does AGL offer a solar Bill credit?

If you have solar panels and a compatible solar battery, AGL will give you a \$100 signing-up credit for joining its VPP, followed by an ongoing quarterly bill credit: These quarterly credits are on top of the solar feed-in tariff you get when you supply energy back to the grid.

Why should you invest in AGL solar energy?

As one of the largest energy providers in Australia, AGL has everything you need to get the most out of your solar energy. Whether you already have solar panels installed on your home and want to find a great AGL solar plan, or you're interested in taking the first step to invest in AGL solar energy, AGL has a solution for everyone.

Can I buy a solar package with AGL?

Moving house and interested in solar with AGL? Contact AGL by calling 1300 447 465. AGL has two solar packages available to purchase. The only real difference between AGL solar packages is if you want a Tesla Powerwall battery, or LG Chem RESU battery with SolarEdge StorEdge Inverter.

How can AGL help you get the most out of solar?

After you're all set up with solar, AGL can help you get the most out of your solar system through special solar deals and feed-in tariffs (FiT). Feed-in tariffs are a form of rebate whereby customers are compensated a few cents for every unused kilowatt-hour (kWh) of electricity exported to the energy grid.

Does AGL still offer solar installation services?

AGL no longer provides installation services to residential customers, but the retailer still wants to attract households that have solar panels. Solar customers in Victoria, South East Queensland, New South Wales and South Australia can sign up to AGL's special deal called 'AGL Solar Savers'.
