# Amazon wind turbine solar power

How many solar and wind projects does Amazon own?

With more than 500 solar and wind projectsglobally, Amazon's portfolio is now big enough to power 7.2 million U.S. homes each year. Amazon invested in more than 100 new solar and wind energy projects in 2023, becoming the world's largest corporate purchaser of renewable energy for the fourth year in a row.

#### Does Amazon have a wind farm?

Amazon has a wind farm in Jilin, China. Amazon has enabled 379 renewable energy projects that have the capacity to generate over 18.5 GW and deliver 50,000 gigawatt-hours (GWh) of energy annually--enough to power more than 4.3 million average U.S. homes.

#### Why is Amazon's first wind farm a good idea in China?

Amazon's first wind farm and solar farm in China generate clean energyand spur job creationin Chinese communities. As one of the world's largest economies, China has made clean energy commitments to help build a long-term sustainable economy. This is a beneficial reason for Amazon to have its first wind farm in China.

#### How did Amazon's solar and wind farms impact the world?

Amazon's solar and wind farms globally helped to generate more than \$12 billion in investments in communitiesfrom 2014 through 2022. And in 2022, these utility-scale renewable energy projects supported more than 39,000 full-time equivalent jobs.

#### Why does Amazon invest in solar & wind?

"Amazon's investments in solar and wind projects are helping power our operations, while also providing new sources of clean energy to the grid, spurring economic growth, and supporting jobs in the communities where our customers live and work," said Adam Selipsky, CEO of AWS.

#### What is Amazon wind farm Texas?

Amazon Wind Farm Texas, Great Prairie - as the largest renewable energy project in Amazon's global portfolio, this recently operating project has more than 350 wind turbines and over 1,000 MW of total capacity. It is projected to provide an estimated US\$70 million in additional tax revenue over the next 30 years.
