

What makes avi-8 unique?

Founded in 2012, the AVI-8 brand inspiration and design excellence originates from the collaboration between pilots and engineers who served in air forces around the world. Every collection is an explicit homage to the planes, people and history of military aviation. Stay informed with AVI-8 New Launches and Exclusive Discounts.

How much does an AVI-8 watch cost?

As of writing time, a watch from the AVI-8 line costs £305.00 GBP, which is around \$400. AVI-8 refers to this watch as having a "contemporary military industrialized look"-it's big, has many layers and markers, but still remains easy to read.

Who manufactures AVI-8 watches?

Based in the United Kingdom, AVI-8 is a watchmaker founded in the mid-2000s by a company called Dartmouth Brands. We will also include some information and history behind the aircraft that inspired the watch collections.

Who would enjoy an AVI-8 watch?

AVI-8 watches are popular among aviation enthusiasts and as gifts for pilots, flight attendants, or anyone who likes the military vibe of a pilot watch. The watches themselves have decent build quality for an entry-level quartz watch, but you're really paying for the look of a unique pilot watch.

When was AVI-8 founded?

Based in the United Kingdom, AVI-8 is a relatively new microbrand watchmaker. The company was founded in the mid-2000s by a company called Dartmouth Brands.

What is the main selling point of AVI-8 watches?

The main selling point behind AVI-8 watches is the aviation aesthetic. The watches themselves have decent build quality for an entry-level quartz watch, but you're really paying for the look of a unique pilot watch.
