

What is the Balance of Power quest line?

The Balance of Power quest line is a long, complicated quest chain that required players to run multiple Mythic+ dungeons and several Legion raids to complete. This quest line, which begins with The Power Within, unlocks several appearances for your Artifact that you can still use for transmog.

Can you complete the Balance of Power questline solo?

The good news is all the quests may be done solo, meaning players should face no serious obstacles while completing this storyline. Lead game designer Morgan Day stated, however, that all the obtained skins will be available to all specializations of a character.

Is balance of power worth it in World of Warcraft?

The Balance of Power questline in World of Warcraft is particularly long and brutal, with over a dozen steps and potential time gating. It requires significant preparation, making it an even longer process than it may initially seem. While it can net players some rewards, it comes at the cost of a substantial time investment.

How long does it take to complete the Balance of Power storyline?

Completing the Balance of Power storyline will take around 5-6 weeks. To get extra artifact appearances for your class, you have to complete this very long quest chain. It is easy to solo as level 70.

How long does a balance of Power Quest take?

Completing the Balance of Power quest will take around 5-6 weeks. This is a very long quest chain that requires reputation farming and can be easily soloed at level 70.

How long does it take to complete balance of power?

To complete the Balance of Power questline in World of Warcraft, it will likely take at least one month from start to finish. The most time-consuming part is step five, In Nightmares and Essence of Power, which involves collecting specific items and essences.
