

What is Bay Area Solar Solutions?

Bay Area Solar Solutions LLC is a company dedicated to providing sustainable home energy solutions to the residents of Florida at an affordable price.

Who is Bay power?

Bay Power is San Jose's leading electrical supply store. We stock thousands of electrical components from various brands, including: At Bay Power, we pride ourselves on quality and customer service. And in our 30 years of experience, we've always provided our customers with diverse electrical products at affordable pricing.

Why should you choose Bay power?

Get the Power Back On Quickly. Quality and speed of service are staples of Bay Power. When an electrical component fails, a circuit breaker for example, finding a suitable replacement in a timely manner can be critical. Sometimes there will be thousands of dollars being lost while the power is off. That's why we put an emphasis on speedy service.
