How do I find a reputable solar installer in Torrance?

Make sure your solar installer provides a consultative, professional solar experience, and if you're also purchasing a solar battery system, they have proven experience with those products too. By doing the legwork for you, EnergySage makes it easy to find reputable solar installation companies in Torrance, CA.

Where can I get a solar lease in Torrance?

SunPower and other similar leases are offered by a number of local solar companies in Torrance and my pick of these are: SunPower believes clean energy and solar storage should be accessible to everybody.

How much does solar cost in Torrance?

The average price of solar is about \$2.14 to \$3.22 in Torrance, so anything in that range is a fair price. Tip! Some prices may be too good to be true. If your installer quotes you way below the average price in your area, proceed with caution. Installers must charge fair prices to remain in business and provide you with 25 years of support.

Should you get a solar loan in Torrance?

Communication is just horrible. Solar loans are popular among homeowners because you don't have to have the money for the installation upfront, but you get better lifetime savings than with a leased system. You also get to directly use incentives (tax credits etc) available in Torrance, rather than a leasing company retaining them.
