

What is the most forgettable song on solar power?

Judging them in their entirety, here is my ranking of every song on the standard version of "Solar Power." #12 Dominoes (Track 8) "Dominoes" is the most forgettable track on this album. It's a nice song, but not the lyrics aren't particularly enticing and the music itself is a tad boring in comparison to the rest of the songs.

Is solar power a good album?

"Solar Power" makes a lot more sense now that it's grounded by the added dimensions of all the other songs on the album. Even though its slightly shallow sound is always a little at risk of fading into the background, Solar Power's lead single serves as a fun, nourishing look into the emotional high points of the album.

What's new in Lorde's 'solar power' album?

The New Zealand star's third album continues her winning streak, as she blazes a trail through the pop landscape with a beautiful paean to nature. Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics.

[A] curiously low-key album ... These are weird, spare, twisty-turny psych-folk tunes, many of them without the propulsive beats that used to drive Lorde's music; most of the time, she's simply layering her fluttering, slightly raspy vocals over Antonoff's noodly electric guitar in a way that recalls Nico's 1967 cult classic "Chelsea Girl," of all things.
