

What is the best DPS in DCUO?

Electric would be the obvious choice. Many would say that it is the best dps in the game. Precision. Any of the healers can do the job fine anyway, but I do believe it to be one of the best there as well. Here are my rankings on the healing powers (healing and dps side) from experience and being a healer my entire dcuo life. 1. Electricity 2. Water

Which DPS gear works best solo?

If you skipped to the bottom, the TL;DR is at the top. Rage with dps gear in tank role works best solo ... all you have to use is remorseless recovery and you spam your weapon besides at the moment it gets a power back mechanic it will be godlike for solo content of course. I'm not sure what you mean by that. I find Gadgets to be the best so far.

How many powers are there in DC Universe Online?

Choosing your power in DC Universe Online is a big moment for all avid players. This is the moment you choose your path to victory. There are 15 powers in total for you to choose from, but each power will essentially provide you with the tools you need to perform within one of the three major roles that exist within all MMOs.

What is the most effective solo power/role?

Just use a bow and weapon of destiny. Out of the powers you can access I would say Ice Tank is the most effective solo power/role simply because of High Def and Shields.

Is DCUO best for bosses?

Best for Bosses/Raids: These questions are framed slightly wrong. Raids are 90% about the bosses in DCUO; it isn't like certain other MMOs where you have to waste an hour fighting through hallways of trash to get to the boss. So essentially Best for Raids and Best for Bosses are the same, but they do split in a different way.
