

Where can I charge my electric car in Kent?

There are many ways for electric vehicle (EV) owners to charge their cars in Kent. You can find public chargers in town centres, supermarkets, restaurants, workplaces, petrol stations and lots of other places. Most new electric cars have a range of at least 200 miles. For most this means you don't need a nightly charge at home.

Are electric car charging points available in Kent?

Government grant available for up to £350, t&c's apply Electric car charging points fitted in Kent.  
Name Email Phone Address When is the best time to call you about this? Vehicle MESSAGE: Do you already have your car on order? If so, when is your delivery date? Do you want a tethered charger?

What is the EV homecharge scheme?

It used to be called the Electric Vehicle Homecharge Scheme (EVHS), but is now simply entitled the 'EV chargepoint grant'. How long does the EV charger installation take? An electric car charger installation typically takes just a few hours.

How long does an electric car charger installation take?

An electric car charger installation typically takes just a few hours. Sometimes the EV charger installation company will visit first to work out a suitable location for the chargepoint, and then decide with you on an appropriate cable run. In this way, on the charger installation day, everything should run nice and smoothly.

What is the EV ChargePoint grant?

Full government information about the grant can be found [here](#). It used to be called the Electric Vehicle Homecharge Scheme (EVHS), but is now simply entitled the 'EV chargepoint grant'. How long does the EV charger installation take?

Can I get a £350 charging grant if I don't have a charger?

Check the charger you are interested in is on the approved list. If the installation company doesn't have both accreditations (installer and charging point), then your installation won't be eligible for the grant. Having said that, it's the installer that has to make the claim for the £350, so you should be fine either way.
