

How to set IMARS grid-tied solar inverters?

Page 52 Display panel iMars grid-tied solar inverters Press the " " or " " button to select the country (refer to the below table), press the ENT button to complete the setting. After finish the country setting, please follow the user manual required with the proper use of inverter.

How to install IMARS solar inverter?

Installation iMars grid-tied solar inverters 4.3 Mechanical installation The material for fixing the inverter and the installation mode vary with the different installation sites. It is recommended to install the inverter vertically to the firm wall or metal bracket.

How do I know if my IMARS solar inverter is working?

Display panel iMars grid-tied solar inverters 6.1 LED indicators There are three LED indicators on the panel: (1) "Run", operation indicator, green; (2) "Warn" recoverable fault indicator, yellow; (3) "Fault", unrecoverable fault indicator, red.

How to install an inverter?

Step 1: Take the inverter out of the carton. Step 2: If the installation position is high, you can lift up the inverter to install it to the mounting bracket. Use a hoisting device to lift the inverter off the ground by 100mm, then pause and check the fastening of the lifting ring and ropes.

What is a warning mark on an inverter?

inverters. Warning marks is alerting users to conditions which may cause serious physical injury or death, or damage to the device. They also tell users how to prevent the dangers. The warning marks used in this operation manual are shown below: if not follow relevant requirements. occur if not follow relevant requirements. not followed.

What should be checked before operating IMARS grid-tied solar inverters?

Operation iMars grid-tied solar inverters 5.1 Inspection before operation The following items must be checked strictly before running the PV grid-connected inverter (including but not limited to): (1) Ensure the installation site meet the requirement mentioned in section 4.2.2 for easy installation, removing, operation and maintenance;...
