

Is CATL a good battery supplier?

It maintains that advantage by being a top battery supplier for major automakers, including Tesla, Volkswagen, BMW and Geely. Analysts at S&P Global Ratings wrote in a recent note that they expect CATL to ramp up capital expenditure over the next two years as it looks to maintain a leading position in the global battery market.

What percentage of battery sales will CATL expect?

The Citi analysts said that CATL expects total battery shipments to the U.S. market, including both direct and indirect sales, to cover a single-digit percentage of total battery sales, or around 2%-3%, lower than previously anticipated.

What does CATL stand for?

Goldman analysts Trina Chen and Joy Zhang explained in a client note Thursday that reports of Chinese battery giant Contemporary Amperex Technology (CATL) cutting lithium production at a major mine in...
