

How can I find the right EV charging station?

Use the charging map in the ChargePoint app to find the right EV charging station for you. Filter stations near you, drive up, plug in, and enjoy the amenities nearby. With the largest global EV charging network, including ChargePoint and roaming partner stations, finding the right station is easy, affordable, and convenient.

How do I charge my EV using the ChargePoint app?

Charging your EV with the ChargePoint app is easy, affordable and convenient. Find and filter the right station near you in the app, drive up, plug in and enjoy nearby amenities. Unplug when you get notified that you're done charging, and go about the rest of your day.

How do I find a charging station?

Zoom, pan and rotate the map in 2d or 3d to find what you are looking for. Click on a map pin to see detailed information about a charging station (prices, how to start charging, availability, photos uploaded by other ChargeFinder users, nearby eateries and more). The map filter makes it easier to find relevant charging stations.

What can you do while your EV is charging?

Drive up, plug in and enjoy the amenities nearby while your EV is charging. Use the charging map to find the right EV charging station for you from the largest global EV charging network. Charging at a ChargePoint or roaming partner station in the world's largest EV charging network is easy, affordable and convenient.

How do I add a charging station?

If a charging station is missing, it is easy to add. Click on the icon with a plus sign on the map or select "Add station" in the menu. A wizard takes you through a number of steps to add the station. When all the mandatory information has been filled in, the "Save" button on the last page lights up and pressing it adds the station.

How do I create a list of charging stations?

You can create your own list of charging stations. Click the star icon found on each station to add/remove favorites. A click on the star icon on the map gives you quick access to your favorite list. Search by city, place, address or name of a charging station to get directly to the desired location on the map.
