

Dominion virginia power solar purchase program

How many solar projects will Dominion Energy have in Virginia?

Today's approval marks a significant expansion of Dominion Energy's growing solar fleet, which is currently the second largest in the nation. When those projects are complete, the company will surpass 4,600 MW of approved solar projects in Virginia, enough to power more than 1.1 million homes at peak output.

What is the Dominion solar program?

This innovative program provides Dominion customers the opportunity to support solar without the commitment of installing solar panels on their homes or maintaining them. Participating customers choose to subscribe or purchase solar panels from solar farms dedicated to this program.

Does Dominion Energy offer community solar?

Customers receive a monthly credit on their bill for the electricity generated by their panels. (CSP) is a renewable energy solutions provider for utilities and the communities they serve. CSP has partnered with Dominion Energy to offer their community solar product to Dominion Energy electric customers across South Carolina.

What are Dominion Energy's Power-Purchase Agreements (PPAs)?

They also include 13 power-purchase agreements (PPAs) totaling 435 MW with independently owned solar projects. "These projects deliver on our promise of reliable, affordable and increasingly clean energy for our customers," said Ed Baine, President of Dominion Energy Virginia.

What does Dominion Energy Virginia do?

"These projects deliver on our promise of reliable, affordable and increasingly clean energy for our customers," said Ed Baine, President of Dominion Energy Virginia. "Through our investments in offshore wind, battery storage and solar, Virginia continues to make progress on its clean energy transition."

Does Dominion Energy Virginia offer bill payment assistance?

Dominion Energy Virginia's EnergyShare program offers bill payment assistance of up to \$600 from October 1 through May 31. The program is not income-based, so anyone needing help to pay their heating bills may qualify for assistance.
