

What is Ecolab dishwashing solid program?

Ecolab's complete dishwashing Solid Program offers efficiency and dependability for high volume, commercial operations. Find rinse additives for glassware and plasticware too.

What is an Ecolab product?

An Ecolab Product is anything that Ecolab sells, not including services. The returns of these products are subject to a standard re-stocking fee, unless due to an Ecolab error. Customers may contact their designated Ecolab Sales Representative or Ecolab Customer Service with any questions related to this policy.

What is solid power XL?

Solid Power XL is a highly concentrated solid warewashing detergent with outstanding degreasing properties, removing starch build up and providing clean sparkling results. Solid Power XL is a Nordic Swan certified solid warewashing detergent, that removes starch build up. For use under soft water conditions.

What is Ecolab rinse additive?

Perfect for glassware and plastics, this rinse additive shines in hard water and won't foam up in soft water conditions. Ecolab is a global sustainability leader offering water, hygiene and infection prevention solutions and services that protect people and the resources vital to life.
