What is County Durham's electric vehicle charging scheme?

It is hoped every resident in County Durham, without off-street parking, will be within a five minute walk of a charging point. Currently focusing on the county's rural areas, the first stage of the initiative is part of the On-street Residential Charge Point Scheme (ORCS) which has funded 60 7-22kwh electric vehicle charge points.

Why are there more electric vehicle charging points in Durham?

People in County Durham will see more electrical vehicle charging points in the area as part of a new initiative to help protect the environment. The County Council says the move is to help reduce carbon emissions and make it easier for residents to own electric cars.

Is EV charging free?

It's free to download, with no ads and no data sharing--just a seamless charging experience. Access the largest and most comprehensive EV charging network in the region. Find available chargers instantly with live, up-to-date station statuses. Enjoy a clean, uninterrupted experience every time.
