Who is EEMB battery?

EEMB is a professional battery manufacturer and battery solution provider since 1995. Its main product line ranges from primary lithium batteries to rechargeable lithium batteries. EEMB's long history has enabled EEMB to be in all key global markets. No leak, excellent cost performance and long cycle life.

Where can I find more models of 3.7V lithium batteries?

Get more models of 3.7V lithium batteries at EEMB store! Would you like to tell us about a lower price? Looking for specific info?

Are EEMB batteries UL certified?

RELIABLE PERFORMANCE--No leaking, excellent cost performance and long cycle life. PCM protection function: over charge, over discharge, over current, short circuit protection, over temperature protection. CERTIFICATIONS--UN 38.3 compliant. More than 400 EEMB batteries are UL certified.

Where is EVE Energy based?

Based in Malaysia, Serving the Globe! The equipment entry ceremony for EVE Energy's first factory with overseas delivery capacity was successfully held. To be the most creative lithium battery leading company and continuously overcome the core technical issues.
