

Should I install Eve door and window sensors?

If you have recently installed your sensors but experiencing issues with them, check to see whether they are positioned closely enough to one another to allow for a direct line of sight from one sensor to the next. Any home that utilizes smart technology would benefit from installing the Eve Door and Window sensor.

How does the eve door & window sensor work?

Additionally, it supports mobile app control, providing convenient access to monitor and manage the status of doors and windows remotely. To power the EVE Door & window sensor, it requires a single AA battery. It has a power supply input voltage of 3.6 V, ensuring efficient and reliable operation.

Does Eve door & window support thread?

The current version of Eve Door & Window supports Thread. This technology makes your smart home network more responsive, robust, and increases its reach - the only thing you need is a home hub (Thread border router). Battery-operated Thread accessories, such as Eve Door & Window, represent endpoints in your Thread network.

What is Eve door & window?

Eve Door & Window is a Minimal Thread Device (MTD) - but what does that mean? The current version of Eve Door & Window supports Thread. This technology makes your smart home network more responsive, robust, and increases its reach - the only thing you need is a home hub (Thread border router).

How do I Reset my Eve door & window?

There is a reset button inside the battery door. Use a paper clip or similar object to press it until the red LED is blinking. Eve Door & Window is a Minimal Thread Device (MTD) - but what does that mean? The current version of Eve Door & Window supports Thread.

Does Eve door & window have a magnet?

Yes, it is. All you need to do is stick the tiny magnet and miniscule 5-cm-/2"-wide sensor to any flat surface. It doesn't even matter if your door's recessed behind the frame, as Eve Door & Window includes super-useful spacers so you can line up the top of the magnet with the sensor for optimal performance.
