Is ever power a good company?

A switch failed in the first year and Ever Power got it fixed very quickly at their expense. No issues since then. Working well although the setup to read data on a mobile has never worked despite being set up by the installer. Not really a major concern. Very happy with installation and follow up assistance.

Who is the best solar installer in Cairns?

The installer (Michael Lloyd and his wife Sara) did a great job. They spent almost 2 days to install everything and it's only because of the cyclone which brought lots of rain and it slows down the installation. I would highly recommend Michael to install any solar systems in Cairns area or to do any electrical works. Michael, you are THE BEST!
