

Is George Michael's 'Freedom '90' a connection to 'solar power' by Lorde?

On June 18, the George Michael Estate released a statement on the late singer's official website giving Lorde the estate's blessing. "We are aware that many people are making a connection between 'Freedom '90' by George Michael and 'Solar Power' by Lorde which George would have been flattered to hear," the statement reads.

How powerful are freedom solar panels?

Freedom Solar Power solar panels are efficient and powerful. More than 191.5 megawatts of Freedom Solar Power solar systems have been installed since its founding, generating enough electricity to power 158,000-plus homes for an entire year and the equivalent of taking 175,000 cars off the road.

Who is SunPower by Freedom Solar?

SunPower by Freedom Solar is a company that serves Floridians in areas from Tampa to Fort Lauderdale who want to save on energy costs and take control of their own power supply. Although the cost of installation and equipment used to be cost-prohibitive for many Florida homeowners and businesses, that has changed in recent years.

Is freedom solar power a good solar contractor?

Freedom Solar Power has also been named a "Top 500 Solar Contractor" by Solar Power World magazine for nine years running, achieving the award every year from 2013 to 2021. The Texas-based solar installer offers its customers multiple payment options to choose from, including cash purchase and loan financing.
