

Where can I find solid perfume containers?

Explore our range of solid perfume containers to find the ideal packaging for your scents. Find the perfect containers for your solid perfumes at Bulk Apothecary. Our selection includes a variety of solid perfume containers, from tins to jars, designed to store and showcase your custom scents beautifully.

What is a custom glass perfume bottle?

Custom glass perfume bottles are ideal when you need to make your fragrance product stand out or fulfill unique customer needs like travel-size perfumes. Simply tell us what your perfume glass bottle needs are and we will deliver a befitting solution.

What are the capacities of glass perfume bottles?

Glass perfume bottles from Roetell have capacities that range from 8ml to 100ml. Glass bottles are ideal for storing perfumes as they do not react with the alcohol content and help retain the scent longer, extending the product's shelf life.

What is the best material for perfume bottles?

Despite the rising innovations in containers and bottles, glass is still the preferred material for perfume bottles. This is because glass perfume bottles can properly contain the fragrant liquid without contamination, thanks to the alcohol content of perfumes.

Are glass perfume bottles a good choice?

Glass perfume bottles are the ideal component for high-end perfumes due to their high chemical and high clarity resistance features. Our company specializes in manufacturing and supplying these bottles. Would you like to place a bulk order?

Why is glass the preferred material for perfume bottles?

Glass is still the preferred material for perfume bottles due to the alcohol content of perfumes. Glass perfume bottles can properly contain the fragrant liquid without contamination.
