

What is a 200 watt portable solar kit (PSK)?

This 200-watt Portable Solar Kit (PSK) folding solar module is ideal for those who don't want to permanently mount solar to a rooftop or want to supplement a roof top system.

Are portable solar kits waterproof?

The Portable Solar Kits come with a variety of battery charging options with Anderson-style, quick connectivity. Other Accessories Sold Separately. This kit is not waterproof or weatherproof. Never leave your Portable Solar Kit unattended, plugged in overnight, or subject to inclement weather. We want to hear from you!
