What is Sol Power?

Sol Power is a local and dedicated group of solar installers that provide top quality solar services and installations. We are Sol Power. We take pride in the quality of work that goes into every job and maintain the highest levels of industry standards.

Is go solar a good company to work with?

Go Solar was a great company to work with- it was a lengthy process and all along the way they kept us informed,had a team assigned to us and responded immediately to any questions or concerns. We got a new roof first,and then our solar panels.

What makes Go Solar a good company?

Go Solar's team is punctual,courteous,and diligent,maintaining a pristine work environment. Their exceptional professionalism,particularly that of their engineers,is truly a sight to behold - a well-coordinated ballet of expertise and efficiency.

Why should you choose GoSolar Power?

GoSolar Power is not just about purchasing a product; it's about investing in a brighter and more sustainable future. The process with GoSolar Power was straightforward,and the representative was professional and took care of all requests in an outstanding manner. Customers are very happy with their Tesla /solar panel system from GoSolar Power.
