

Who is goodwe solar inverter?

GoodWe is a leading supplier of inverters from China that is listed on the Shanghai Stock Exchange. With average monthly sales of 30,000 inverters in 2019 and 16 GW installed in over 80 countries, GoodWe is ranked in the World Top 10 of solar inverter manufacturers by Bloomberg, IHS & Wood MacKenzie.

Who is GoodWe?

GoodWe is a leading solar inverter manufacturer specializing in residential and commercial solar inverters ranging from 0.7kW to 250kW. Their headquarters is located at No. 90 Zijin Rd., New District, Suzhou, 215011, China.

Where is GoodWe located?

GoodWe is located at No. 90 Zijin Rd., New District, Suzhou, 215011, China. GoodWe is a leading solar inverter manufacturer specializing in residential and commercial solar inverters ranging from 0.7kW to 250kW.

Who makes goodwe string inverters?

The inverters from GoodWe's broad range are used in both residential and commercial settings. Outstanding after-sales service and distribution in Europe through Natec make GoodWe the number one stable and reliable partner in string inverters.

What features do GoodWe's C&I inverters have?

GoodWe's C&I inverters have advanced features like multiple Maximum Power Point Trackers (MPPT), high input current capabilities, and robust safety protection to ensure optimal energy yield and seamless integration into any grid-tied solar project.

Are GoodWe solar inverters a good investment?

GoodWe solar inverters are designed to ensure a quick return on investment (ROI). They are light-weight, highly-efficient, and low-cost, making them a good investment for residential grid-tied systems. GoodWe's C&I grid-tied inverters are also designed to deliver high efficiency and reliability.
