

Is goodwe a good solar inverter manufacturer?

In 2012, GoodWe was ranked among the world's top 10 solar inverter manufacturers, a testament to its rapid growth. The company achieved the prestigious VDE-AR-N5110-2018 compliance certificate in 2020, further validating its commitment to quality.

Are Sungrow inverters better than goodwe?

Sungrow: Sungrow inverters also boast a high conversion efficiency, often rivaling Goodwe's numbers. The brand is renowned for its reliability and is one of the top choices for large-scale solar projects worldwide.

Goodwe: Goodwe's inverter line-up is diverse, catering to small, medium, and large installations.

Does goodwe offer a warranty on a Sungrow inverter?

Goodwe: Goodwe typically offers a 10-year warranty for its inverters. Australian presence ensures that warranty claims and support are addressed promptly. Sungrow: Sungrow offers a standard 10-year warranty. Their vast global network ensures efficient after-sales service.

Is Sungrow better than goodwe?

Both Goodwe and Sungrow offer competitive prices. The cost varies depending on the model and capacity. Typically, Sungrow is positioned slightly higher in terms of price, but their reputation often justifies the premium. Mentioned below are the prices for a 5kW single phase inverter available in both the brands.

Are GoodWe inverters reliable?

GoodWe inverters are reliable and straightforward to commission, according to many installers. They consistently rank among the top 3 inverter manufacturers in Australia. However, their warranty duration wasn't always particularly good.

Which solar inverter brands are reviewed?

We review the best grid-connect solar inverters from the world's leading manufacturers Fronius, SMA, SolarEdge, Fimer, Sungrow, Huawei, Goodwe and many more to decide who offers the highest quality and most reliable solar string inverters for residential and commercial solar.
