Is icon power a good solar company?

ICON Power has an excellent credit rating. I highly recommend this solar company." Wendy Wayne 4 years ago "Icon power was just awesome. Any question we had was answered quickly and with professionalism. From the first meeting with Drew to the last chat with him the time seemed to fly by. We were approved quickly and the installation began.

Why would you recommend icon solar?

Icon, provided one of the best quotes, the system used the best components (panels, inverters and racking), the installers were knowledgeable and experienced and there were no city/ AHJ rejections hence the time to power on the system was very short. I work in the Solar industry and would recommend Icon.
