

Is Lorde performing 'solar power' on a rooftop in New York?

Lorde has shared a new live video of her performing 'Solar Power' on a blustery rooftop in New York with Jack Antonoff. The song is the title track of the star's upcoming second album and the performance follows another rooftop rendition of it that Lorde performed for The Late Show with Stephen Colbert.

How does Lorde and Antonoff perform solar power?

In the new video, Lorde and Antonoff - who produced 'Solar Power' - perform the track as wind whips around them and rain starts to fall on the rooftop of Electric Lady Studios. The version is stripped back to just Lorde's vocals and Antonoff's electric guitar.

Did Lorde make a Jack Antonoff record?

Yesterday at 2:08 p.m. Lorde responded to criticism of her producer Jack Antonoff ahead of her upcoming third album "Solar Power," saying, "I haven't made a Jack Antonoff record" and that she takes the lead on production in her music.

Did Lorde & del Rey work with Jack Antonoff?

Both Lorde and Del Rey worked with super-producer Jack Antonoff on the songs, and the fans were getting at a larger criticism of Antonoff's work: That he dulls or stunts the artists he works with, who tend to be young women, and that the problem has only gotten worse as his profile has grown.

Are Jane Lorde & Jack Antonoff dating?

Lorde, who began working with Antonoff on her 2017 album Melodrama (which she also co-produced), credited the pair's close relationship with how they're able to work together while hitting back at "sexist" fan speculation that the pair are dating. "No one who's in a job that isn't my job has a relationship like the one I have with Jack," she added.

We conducted this interview before the release of Lorde's Solar Power -- the fifth full-length album Antonoff's worked on this year, after St. Vincent's Daddy's Home, Lana Del Rey's Chemtrails over the Country Club, ...

Following a dreamy rendition of the track from the roof of NYC's Ed Sullivan Theater, the new "Solar Power" performance takes place atop the city's Electric Lady Studios, on a not-so-sunny day.
