What is Lorde's third album solar power about?

Lorde's third album Solar Power was born out of an epiphany. "I was very much raised outdoors by the beach, in the ocean, outside," the Aotearoa New Zealand pop titan tells Apple Music. "But it wasn't until I got my dog that I understood how precious the natural world is and how many gifts there are for someone like me to receive.

When does Lorde's new album 'solar power' come out?

The musician made a splash (pun intended) when she dropped her first single in four years, the summery jam "Solar Power," and now she's giving fans exactly what they want: a full length album of the same name with an August 20th release date, a tracklist, and a 2022 world tour. Looks like it's time to listen to Lorde's secrets once again.

What's new in Lorde's 'solar power' album?

The New Zealand star's third album continues her winning streak, as she blazes a trail through the pop landscape with a beautiful paean to nature. Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics.

Is 'solar power' a new chapter in Lorde's career?

A new sun-loving Lorde tries to find her zen on album number three. Like Lana Del Rey and Taylor Swift before her, the New Zealand star embraces mellowness on a third album shaded by climate anxiety and a rejection of celebrity. Solar Power seems like the start of a new chapter in Lorde's career.
