

When does Lorde's new album 'solar power' release?

The album Solar Power is slated to drop Aug. 20, and is the followup to 2017's Melodrama, her first No. 1 on the Billboard 200. Zooming in from Los Angeles, Lorde told Colbert that she spent most of quarantine in her homeland, with the exception of a stint in New York to finish the new album.

What does Lorde's new LP mean?

The new LP, Lorde explained in a statement issued Monday, "is a celebration of the natural world, an attempt at immortalizing the deep, transcendent feelings I have when I'm outdoors." The "Royals" singer said she is looking forward to performing these summertime songs in front of an audience during her upcoming world tour.

What does Lorde's new LP feel like?

She called the cover "a little hardcore," but at the same time, "so joyful." "It felt innocent and playful and a little bit feral and...sexy," she added. The new LP, Lorde explained in a statement issued Monday, "is a celebration of the natural world, an attempt at immortalizing the deep, transcendent feelings I have when I'm outdoors."

Is Lady Lorde going on a tour again for a long time?

Lorde's tour announcement may come as a surprise for some. In May 2020, she explained in a newsletter obtained by Entertainment Tonight and Teen Vogue that she wasn't sure if she'd "tour again for a long time," citing stage fright and lack of stability.
