

What is a Narada high temperature front access battery?

The Narada High Temperature Front Access VRLA batteries provide superior battery life in applications with a nominal operating temperature of 35°C. These batteries are ideally suited for telecom base station, OSP, and renewable energy applications.

What is a Narada 12ics100 battery used for?

Narada's 12ICS100 12V 100Ah battery is capable of PSoC, hybrid, UPS, renewable energy storage applications and other cycling/standby applications. The Narada 12ICS100 is well suited to replace traditional 19" and 23" V-RLA/AGM and VRLA/GEL monoblocs in applications where space is limited, power is unreliable or diesel hybrid operation is present.

Who is Narada Battery?

Narada Battery is a leading battery manufacturer for storage batteries in the telecom power source industry in China, established in 1994 in Hangzhou, China. They specialize in research, development and manufacture of the highest quality high rate, deep discharge and intensive cycling service batteries.

Buy Narada AcmeG Series Gel Battery AG12V100F 12V 100Ah 33.5kg Online in Pakistan At The Best Price. HomeAppliances.pk Offers Delivery in Karachi, Lahore, Islamabad & Across Pakistan. Order Now!
