

Does Origin Energy sell solar?

Origin Energy's customer support number for solar installations is 1300 791 468. As of the end of 2024, Origin Energy no longer sells residential solar. At the moment, they're still installing systems they've already sold, but these should be completed by March 2025. Reviews of their systems will remain on this page.

Does origin have good solar reviews?

I'm writing this because a friend mentioned Origin had good solar reviews. Before considering Origin Google 'Origin energy reviews' and proceed at your own risk. Quick one day installation. Full support from Origin service team in organising the installation. A bit longer wait for the transfer from one provider to another, and meter upgrade.

Does origin offer a solar power system package?

Origin Energy has a range of solar power system packages on offer, including solar and battery and battery-only options. Packages include: The price of these systems varies and you will need to contact Origin for a quote. Origin doesn't have a "one-size-fits-all" approach to solar.

Does Origin Energy offer a warranty on solar panels?

All solar panels, inverters and storage batteries installed by qualified Origin Energy installers are backed up with a five-year warranty on workmanship. This means that if your solar stops working properly due to a fault on the part of the installers, the company will repair/re-do the installation at its own cost.
