

Patriot power generator 1800 portable with solar panel

What is the Patriot Power Generator 1800?

The Patriot Power Generator 1800 is a solar power generator that I've often used for power outages in my home. It comes with 2 charging options -- solar panel charging and AC outlet charging (the outlets on the main power grid). This product is a continuation from the Patriot 1500, which famously was recalled because it kept catching fire.

How many watts is a patriot power generator?

The Patriot 1800 has an output capability of 1800W, as the name suggests. This means it can power devices and appliances that require up to 1800 watts of power. The Patriot has a solar input potential of 240 watts, which is less than some rival solar generators.

Is Patriot a gas generator?

Unlike a gas generator, the Patriot Power Generator is lightweight, fume-free, and whisper quiet. So you'll never make a ton of noise, draw unwanted attention, or deal with any toxic fumes. Your Solar Generator Powers...

Is a patriot power solar generator safe?

Our Patriot Power Solar Generator 1800 is lightweight, fume-free and safe to use inside your home. It's whisper-quiet and won't attract attention. Most importantly, you'll be able to recharge it again and again with the solar panel...for FREE. This portable solar generator could truly make a difference for you and your family in a crisis.

How many solar panels can a patriot power generator 1800 use?

It's kind of like cylinders in an engine. More panels = more power. You can safely connect up to 4 100-watt solar panels to your Patriot Power Generator 1800. Meaning you could "quadruple" your recharge power. If this seems like a "high-tech" task, it's not. Every solar panel is made with the ability to "chain" to another panel.

Can a patriot power generator be used inside a home?

Use the Patriot Power Generator 1800 inside your home-- to power a fridge, freezer, medical devices & more. It comes ready to use & never needs gas...ever! Pre-Owned units are fully inspected & in proper working conditions. Some units have minor blemishes; original packaging may not be included. Excluded from promotions. Final sale.
