Does phlur have a celebrity fan base?

Boasting a staggering 74.9M views to date, Phlur also has a long list of celebrity devotees including Rosie Huntington-Whiteley and Miranda Kerr, and its new scent Solar Power is expected to swell that fan base even more. But it's not exactly been a straightforward ride for the brand to scent superstardom.

Does phlur scent superstardom?

But it's not exactly been a straightforward ride for the brand to scent superstardom. Phlur first launched in 2015 as a niche 'clean' perfume brand. It was then acquired in 2021, with fashion stylist and influencer Chriselle Lim taking the helm shortly afterwards and giving it her own fresh spin.

How does phlur work?

Phlur uses botanical ingredients but it also relies on nature-identical synthetic scents in order to cut back on growing and harvesting new materials, which saves on water and land. In terms of packaging, the brand has stopped the use of cellophane film to seal its boxes and replaced single-use plastics with PCR materials.

What is your favorite phlur perfume?

If I had to choose a favorite Phlur perfume, Solar Power would be it. At first, it's sticky, warm, and citrusy (it smells undeniably expensive), but it soon transforms into a sweet envelope of snuggly comfort. Solar Power is the familiar hug I'm itching to jump into when I'm five minutes away from home after a stressful day of holding back tears.

What does phlur smell like?

Founded in 2015, Phlur explores every inch of the fragrance space, concocting everything from fruity floral numbers to woody citrus scents and anything in between. Though each scent smells wildly different from the other, they're made to layer, so you can create new alluring elixirs.
