

Which solar company is the best?

Our top pick for best solar company is Palmetto Solar. It offers high-efficiency solar panels and an all-inclusive warranty, with positive customer reviews. Switching to solar power can substantially reduce your electricity bills and power grid dependency.

How are solar panels rated?

Solar panels are rated by their cost per watt to show how much energy you get for each dollar you spend. This is similar to how car manufacturers use miles per gallon (MPG) to show fuel efficiency.
