

Where can I find charging stations?

ChargeFinder is available as an app for iOS and Android. Specific city pages provide a good overview of charging stations in a particular city. Download the app from Apple App Store or Google Play. ChargeFinder will eventually also be available as apps in Apple CarPlay, Android Auto, and Android Automotive.

Which charging stations are compatible with the chargemap pass stations?

Chargemap Pass Stations compatible with the Chargemap Pass Stations compatible with mobile-initiated charging
Charging stations compatible with Autocharge Stations compatible with Plug & Charge Sockets and speed of charge
Charging capacity Ultra-rapid 200+ kW Very rapid 100-199 kW Rapid 23-99 kW Slow 3-22 kW Plug type

How do I find out if a charging station is nearby?

To find out if a charging station is nearby, use ChargeFinder's station page which shows relevant information like charging speed, outlet type, price, and location. Additionally, the "Food and Shopping Nearby" feature helps you find points of interest near the charging station.

Send "non-urgent" messages to your doctor Do not send messages for urgent issues! If you need a response sooner than 2 business days, please call the office. For emergencies, call 911
