

How many EV chargers does Sheetz have?

An early adopter of EV charging, Sheetz installed its first EV charger in Pennsylvania in 2012. Today, Sheetz has 650 total electric vehicle chargers at 95 of its store locations. Sheetz surpassed one million charging sessions at this same time last year.

Does Sheetz sell electric car chargers?

Sheetz began adding electric vehicle chargers to its portfolio in 2013. The retailer currently has different types of chargers at other locations, including Electrify America charging stations at four c-stores in: Carlisle and Bloomsburg, Pa., Wytheville, Va., and Rocky Mount, N.C.

How much do EV charging stations cost in Pennsylvania?

If you have an Electrify America subscription, these Level 3 stations only cost \$0.29/min in Pennsylvania, where most Sheetz EV charging stations are. Although Electrify America stations may not be available at every Sheetz location, you still might be able to use Tesla Superchargers or EVGo at your local Sheetz.

How much does a Sheetz supercharger cost?

These Superchargers will cost you about \$0.25/min and takes about 15 minutes to charge up to 200 miles. Another option at Sheetz is EVgo, which works similarly to Electrify America, giving users a chance to pay a monthly subscription for cheaper prices overall.

Can you use Tesla superchargers at Sheetz?

Although Electrify America stations may not be available at every Sheetz location, you still might be able to use Tesla Superchargers or EVGo at your local Sheetz. Tesla Superchargers take around 15 minutes to fully charge, but they cost a little extra.

How much does a Level 3 eV charge cost?

Level 3 charging not only takes less time but may be cheaper overall. In a Sheetz store located in Pennsylvania that has EV charging stations from Electrify America, you will be expected to pay roughly \$0.37/min, and the charge will take around 20 minutes to an hour.
