

Does Sol de Janeiro have phthalates?

Finally, Sol de Janeiro contains no phthalates or mineral oil. These are both ingredients that are commonly found in many beauty products, but that can potentially be harmful to the skin and the environment. How Does Sol De Janeiro Ensure That Its Products Are Vegan and Cruelty-Free? By using solely plant-based ingredients in their products.

Does Sol de Janeiro use Argan oil?

Antioxidant-rich Argan oil helps keep your skin looking and feeling its best, while coconut oil works to soften and condition. Not to mention, it is scented with the classic (and addictive) Cheirosa '62 scent. From Bum Bum Cream to Cheirosa '62 Fragrance Mist, Sol de Janeiro has created several viral products.

Is Sol de Janeiro a clean brand?

Consequently, Sol De Janeiro can be considered a clean beauty brand. However, it's always wise for individual consumers to check the ingredients list of specific products to ensure they meet their own personal standards for clean beauty. Does Sol De Janeiro Contain Parabens?

What would the body care landscape be without Sol de Janeiro?

And we can confidently say the body care landscape wouldn't be what it is today without Sol de Janeiro. The brand's ethos is rooted in the beach culture of Rio de Janeiro, where beauty isn't so much a universal standard but rather a feeling and sense of joy in taking care of yourself.

Does Sol de Janeiro contain parabens?

One of the most commonly asked questions about Sol de Janeiro products is whether or not they contain parabens. This is great news for people who're concerned about the potential harmful effects of parabens on their health and the environment. Another thing that makes Sol de Janeiro so popular is its signature scent.

Are Sol de Janeiro products cruelty-free?

In addition to being non-toxic, Sol de Janeiro products are also cruelty-free and vegan-friendly. The brand doesn't test on animals and doesn't use animal-derived ingredients in its formulas. This is an important consideration for customers who're looking for products that aren't only safe but also ethical and sustainable.
