

What is Solar Armor in Fallout 76?

Solar armor is an armor set in Fallout 76, introduced in the Nuclear Winter update. A full set of scout armor, completely overrun by strangler vines and other flora. When the full set is equipped, the player character gains the Solar set bonus, which regenerates health for them and nearby...

What is a solar armor set?

The Solar Armor set is visually identical to the Thorn Armor, which means it looks like a Scout Armor set covered in plants. This armor set provides some defense, but its real power is in its special properties. The Solar Armor set regenerates a player's health automatically when their health is above 60%.

Does Solar Armor have a status effect?

The Solar armor does not have any Radiation or other Status Effect resistances without specific mods or Legendary armor effects. Comparing its base damage and energy resistances to other end-game armor set in Fallout 76, Solar armor is slightly weaker than the other popular armor sets, but not by much.

Who sells solar armor?

Two vendors will sell Solar Armor pieces, the first is Reginald Stone. Regs is a former Secret Service agent who is trapped in Vault 79 until the player fixes the reactor and frees him. He'll sell the plans for the Solar Armor along with many other unique armor and weapon plans.

How do you get Solar Armor?

To get your hands on the Solar Armor, you first need to buy the plans (instructions) to craft each piece. You can buy these plans from two vendors: Reginald Stone: He's a former Secret Service guy trapped in Vault 79. But if you complete the "Secrets Revealed" quest and fix the reactor, you can free him. Then he'll sell you the Solar Armor plans.

How does Solar Armor work?

They are applied to armor pieces via a workbench. Solar armor does not have any paints that can be applied to it. Solar armor shares model with Thorn armor. It also shares mods and uses the same base model (without vines) as urban scout armor, forest scout armor and Covert scout armor. Solar armor body pieces can be crafted with legendary effects.
