

Who is the best solar company in Baltimore MD?

According to solar shoppers on the EnergySage Marketplace, the top five solar installers in Baltimore, MD are IntegrateSun, LLC, Nova Solar, Cosmo Solaris, Solar SME, Inc., and GreenBrilliance LLC. How many solar companies are in Baltimore, MD?

How much does solar cost in Baltimore MD?

The average price per watt of solar power in Baltimore, MD is \$3.13/W. These prices are before incentives. After the federal solar tax credit, the final cost will drop by 30%, down to \$22,237 for a 10.15 kW system. Many states even offer local rebates and incentives that lower the price further--sometimes by thousands of dollars.

Are solar panels a good investment for Baltimore homeowners?

Whether you'd like to lower your electricity costs, carbon emissions or both, solar panels are a good investment for many Baltimore homeowners. To find out how much you can help the environment and your wallet by switching to solar, try out the calculator below. You can also view our solar panel cost guide for Baltimore, MD.

How do solar incentives work in Baltimore?

Solar incentives and rebates can cut the cost of installing solar in Baltimore by thousands of dollars. The most significant incentive is the 30% federal solar tax credit, available to any taxpayer in the country when they purchase solar panels or battery storage.

What is a good APR for a solar loan in Baltimore?

Recent interest rate hikes have bumped solar loan APRs above 5.99%, but we have seen some providers offer as low as 30-year, 3.99% loans. Getting quotes from different installers is essential to getting the best rates possible in Baltimore.
