What is a solar power bank?

A solar power bank is a portable device that can charge small appliances using solar energy. Jackery portable power banks are a popular choice when you're away from electricity, whether for an office trip or a family camping adventure.

Are solar power banks a good option?

We reviewed hundreds of solar power banks to find the best options available for the most common use cases. Solar power banks are incredibly handy when camping, hiking, or just to have when you're not sure if you will have access to a wall outlet for charging. Solar power banks can charge your cell phone, laptop, and even your campsite.
