

How do I connect my ring solar panel to my stick up Cam?

To connect your Ring solar panel to your Stick Up Cam, plug the Solar Panel into the Stick Up Cam battery. If the plug on your Solar Panel looks like this, follow these steps: Remove the two screws on either side of the Solar Panel port on the back of your Stick Up Cam. Remove the two rubber spacers behind the screws. Plug in your Solar Panel. Secure the plug with the screws you removed.

Does a super solar panel work with a ring stick up Cam?

No. The Solar Panel/Super Solar Panel with barrel plug connector is specifically configured to work with Ring Stick Up Cam and Ring Spotlight Cam. Ring makes other solar panels specially built to help charge Video Doorbells.

Does stick up Cam come with a solar panel?

With Stick Up Cam Plug-In, subscribe to Ring Home Premium, sold separately, to enable 24/7 Recording 1 and Continuous Live View. Stick Up Cam Solar comes with a Solar Panel as well as a Quick-Release Battery Pack. The Solar Panel requires direct sunlight to keep your device charged.

Does stick up Cam elite need a solar panel?

The Solar Panel requires direct sunlight to keep your device charged. But with the Quick-Release Battery Pack, your camera will have backup power in case you don't have enough sunlight. Stick Up Cam Elite uses Power over Ethernet for nonstop power and a reliable connection.

How to mount a Ring Spotlight Cam solar panel?

To mount a Ring Spotlight Cam solar panel, use a solar panel mounting arm as a template and mark the holes on your chosen spot for screwing. Drill the holes on the marked spots. If you are mounting it in stucco, concrete, or brick, insert the included plastic anchors into the holes.

What are the dimensions of ring solar panel?

11.75in x 7.75in x 0.50in What are the tech specs of Ring Solar Panel? Can I use the Solar Panel/Super Solar Panel with my Ring Doorbell? No. The Solar Panel/Super Solar Panel with barrel plug connector is specifically configured to work with Ring Stick Up Cam and Ring Spotlight Cam.
