

Is solar power a good album?

As a title, Solar Power nods at Lorde's environmental concerns yet also neatly sums up the vibe of her third album. Leaving the sullen introspection of her teens behind, Lorde now basks in the sun, soaking up the rays and exuding good vibes. This doesn't mean Solar Power is an album riddled with uptempo bops and hooks, however.

When did Lorde release solar power?

'Solar Power' is the third studio album by New Zealand singer-songwriter Lorde, released on August 20, 2021. Seven singles were released - Solar Power, Stoned at the Nail Salon and Mood Ring, Fallen Fruit, Secrets From a Girl (Who's Seen It All), The Path & Oceanic Feeling. In late 2017, Lorde...

What's new in Lorde's 'solar power' album?

The New Zealand star's third album continues her winning streak, as she blazes a trail through the pop landscape with a beautiful paean to nature. Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics.

What is Lorde's solar power?

Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics. Lorde's Solar Power is an airy body of work that refuses to stand in the long shadow cast by its predecessor.

Is 'solar power' a new chapter in Lorde's career?

A new sun-loving Lorde tries to find her zen on album number three. Like Lana Del Rey and Taylor Swift before her, the New Zealand star embraces mellowness on a third album shaded by climate anxiety and a rejection of celebrity. Solar Power seems like the start of a new chapter in Lorde's career.

Is solar power a good mood music?

Wandering can generate its own rewards provided you're in the mood to get lost. That sentiment applies to Solar Power. If you're riding and vibing with Lorde, this bright shapelessness is superb mood music. If you're not riding her wave, Solar Power can seem elusive, even cloying, as it circles and sways with a smile.

If you notice, my favorites and least favorites for this one are both pretty short. It's not because the songs are bad, per say; Lorde's vocals are still pretty with gorgeous harmonies, Jack Antonoff's production is nice and crisp and gives off the warm summery vibe that's called for, and the vibe in general is pretty pleasant throughout.
