

Is 'solar power' a new chapter in Lorde's career?

A new sun-loving Lorde tries to find her zen on album number three. Like Lana Del Rey and Taylor Swift before her, the New Zealand star embraces mellowness on a third album shaded by climate anxiety and a rejection of celebrity. Solar Power seems like the start of a new chapter in Lorde's career.

What is Lorde's solar power?

Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics. Lorde's Solar Power is an airy body of work that refuses to stand in the long shadow cast by its predecessor.

What is Lorde's new song solar power about?

"Solar Power" the song -- which arrives four years after Lorde's last LP, 2017's Grammy-nominated "Melodrama" -- is "about that infectious, flirtatious summer energy that takes hold of us all, come June (or December, if you're a Southern Hemisphere baby like me...)," the singer wrote in an email to her fans.

What's new in Lorde's 'solar power' album?

The New Zealand star's third album continues her winning streak, as she blazes a trail through the pop landscape with a beautiful paean to nature. Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics.
