

What is Lorde's solar power?

Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics. Lorde's Solar Power is an airy body of work that refuses to stand in the long shadow cast by its predecessor.

Is 'solar power' a new chapter in Lorde's career?

A new sun-loving Lorde tries to find her zen on album number three. Like Lana Del Rey and Taylor Swift before her, the New Zealand star embraces mellowness on a third album shaded by climate anxiety and a rejection of celebrity. Solar Power seems like the start of a new chapter in Lorde's career.

What is the most forgettable song on solar power?

Judging them in their entirety, here is my ranking of every song on the standard version of "Solar Power." #12 Dominoes (Track 8) "Dominoes" is the most forgettable track on this album. It's a nice song, but the lyrics aren't particularly enticing and the music itself is a tad boring in comparison to the rest of the songs.

What's new in Lorde's 'solar power' album?

The New Zealand star's third album continues her winning streak, as she blazes a trail through the pop landscape with a beautiful paean to nature. Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics.

Why is Lorde so popular?

The track's simplistic production (courtesy of Joel Little) and catchy refrain (courtesy of Lorde) immediately set Lorde apart from the pop crowd in 2013 and quickly became a global smash, topping the charts in more than 12 countries and reportedly selling 10 million worldwide.

What is Lorde doing in a post apocalyptic society?

Lorde harmonizes with herself in stacked, crackling vocal lines -- now a certified hallmark of her music -- as she fantasizes about being a pop star in a post-apocalyptic society where most of the earth's environment is unlivable. 10. Solar Power
