

What is Lorde's solar power?

Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics. Lorde's Solar Power is an airy body of work that refuses to stand in the long shadow cast by its predecessor.

Is 'solar power' a new chapter in Lorde's career?

A new sun-loving Lorde tries to find her zen on album number three. Like Lana Del Rey and Taylor Swift before her, the New Zealand star embraces mellowness on a third album shaded by climate anxiety and a rejection of celebrity. Solar Power seems like the start of a new chapter in Lorde's career.

What's new in Lorde's 'solar power' album?

The New Zealand star's third album continues her winning streak, as she blazes a trail through the pop landscape with a beautiful paean to nature. Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics.

Is Lorde right on time?

Nothing moves up a quarter-life crisis quite like a global climate catastrophe and a pandemic, so Lorde is right on time. With Solar Power, she's right in the thick of it: wearied by teenage fame and capitalism, worried about the state of the earth and grieving the loss of her beloved dog Pearl.

What does Lorde say when the heat comes?

"But when the heat comes/ Something takes a hold." Lorde revels in the environment throughout the album, whether she's suggesting jumping off Bulli Point on her home country's Lake Taupo on album closer 'Oceanic Feeling' or looking to the skies for answers on 'The Path'.

What makes solar power different from 'Pure Heroine' and 'melodrama'?

'Solar Power' reflects Lorde pulling from Earth not just lyrically, but musically too. Where 'Pure Heroine' and 'Melodrama' were filled with euphoric synths and crisp digital sounds, this album peels away all our technological advances and relies on more organic sounds.
