

What are solar rebates & incentives?

Rebates and incentives are a crucial way to encourage broader adoption of solar energy and full home electrification across the country. These incentives will typically come from your utility, state government, or the federal government in the form of tax credits, property tax abatements, one-time rebates, or performance-based rebates.

Are solar power rebates a good idea?

With solar power rebates at hand, solar energy is becoming more economically viable. Depending on your location and a solar array system, you can take advantage of various solar panel government programs, including solar tax exemption, solar rebates, solar panel federal tax credits, and more.

Are solar panel owners eligible for tax rebates?

Solar panel owners are eligible for numerous solar panel rebates and solar incentives. Applying for solar tax rebate programs and federal solar incentives efficiently reduces the initial solar investment sum. What Are Government Solar Panel Programs?

Federal solar rebates are not the only form of solar rebate available for US residents. We offer you a concise overview of other solar incentives individual solar panel owners can apply for. Unique State Solar Incentives and Solar Panel Rebates

What is a solar rebate & tax credit?

Rebates -- A one-time incentive for solar installations offered by utilities and/or government agencies. Tax Credit -- A direct dollar-for-dollar deduction off of your income taxes that you would normally pay to the federal government. Tax Deduction -- Deduction of taxable income that can increase your refund or reduce how much tax you owe.

Am I eligible for a solar or battery rebate?

You may be eligible for a solar or battery rebate depending on your location. Some states and territories allow you to apply for a rebate on top of an interest-free loan. These can complement one another and further reduce the cost of your system. You will still be able to collect small-scale technology certificates (STCs) under the Small-scale Renewable Energy Scheme (SRES).
