

Are Costco string lights solar powered?

Light up your backyard, patio, or deck with Sunforce Solar String Lights from Costco. No need for a power outlet since these lights are solar powered. These fully weather-resistant string lights are equipped with 15 vintage-inspired warm white LED Edison bulbs that provide beautiful accent lighting to your outdoor space.

How much is a Sunforce solar string light at Costco?

The Sunforce Solar String Light is on sale at select Costco locations for \$29.99, through June 11, 2023. That is \$10 off Costco's regular price of \$39.99. While supplies last. Prices, inventory, and sale dates may vary by location and may change at any time without notice.

What are solar LED string lights?

Solar LED string lights are lights that use LED bulbs. These LED bulbs consume less energy and are brighter than normal bulbs. They are also more durable and come with protective films and covers to prevent damage from extreme weather elements. Solar LED string lights are easy to use and can be lapped around a bush, tree, fence, or the roof anywhere, any time.

Are solar string lights environmentally friendly?

Solar string lights are more eco-friendly as they use renewable energy. They help in saving the environment. On the other hand, conventional lights rely on traditional power sources. Solar string lights can be placed anywhere, as they don't depend on the availability of power sources.
